

Goo Goo Dolls - Let Love In

Tom: **D**

(**D D Bm A G**)

You wait, wanting this world
 To let you in
 And you stand there
 A frozen light
 In dark and empty streets
 You smile hiding behind
A God-given face
 But I know you're so much more
 Everything they ignore
 Is all that I need to believe

You're the only one I ever believed in
 The answer that could never be found
 The moment you decided to let love in
 Now I'm banging on the door of an angel
 The end of fear is where we begin
 The moment we decided to let love in

I wish
 Wishing for you to find your way
 And I'll hold on for all you need
 That's all we need to say
 I'll take my chances while
 You take your time with

This game you play
 But I can't control your soul
 You need to let me know
 You leaving or you gonna stay

You're the only one I ever believed in
 The answer that could never be found
 The moment you decided to let love in
 Now I'm banging on the door of an angel
 The end of fear is where we begin
 The moment we decided to let love in

There's nothing we can do about
 The things we have to do without
 The only way to feel again
 Is let love in

There's nothing we can do about
 The things we have to live without
 The only way to see again
 Is let love in

You're the only one I ever believed in
 The answer that could never be found
 The moment you decided to let love in
 Now I'm banging on the door of an angel
 The end of fear is where we begin
 The moment we decided to let love in
