

# Goo Goo Dolls - Let Love In

Tom: **D**

(**D** **D** **Bm** **A** **G**)

You wait, wanting this world  
 To let you in  
 And you stand there  
 A frozen light  
 In dark and empty streets  
 You smile hiding behind  
**A** God-given face  
 But I know you're so much more  
 Everything they ignore  
 Is all that I need to believe

You're the only one I ever believed in  
 The answer that could never be found  
 The moment you decided to let love in  
 Now I'm banging on the door of an angel  
 The end of fear is where we begin  
 The moment we decided to let love in

I wish  
 Wishing for you to find your way  
 And I'll hold on for all you need  
 That's all we need to say  
 I'll take my chances while  
 You take your time with

This game you play  
 But I can't control your soul  
 You need to let me know  
 You leaving or you gonna stay

You're the only one I ever believed in  
 The answer that could never be found  
 The moment you decided to let love in  
 Now I'm banging on the door of an angel  
 The end of fear is where we begin  
 The moment we decided to let love in

There's nothing we can do about  
 The things we have to do without  
 The only way to feel again  
 Is let love in

There's nothing we can do about  
 The things we have to live without  
 The only way to see again  
 Is let love in

You're the only one I ever believed in  
 The answer that could never be found  
 The moment you decided to let love in  
 Now I'm banging on the door of an angel  
 The end of fear is where we begin  
 The moment we decided to let love in
