

# Goo Goo Dolls - Nothing Is Real

tom:

Hey, anybody in this world  
 Can you talk to me a while, find a reason for it all?  
 Cause I've been thinking backwards, to a place I've never been  
 To a home that never was, it's like I'm losing it again  
 And it takes so long to say these words  
 Can you wait that long for me?  
 Hey, nothing is real, it's all what you believe  
 Something you dream inside your head  
 You know how I feel because it's just you and me  
 Something I need to call my own  
 To feel and call my own  
 Duck inside this empty room  
 And I'm waiting for the sun to come to me  
 Someday, I'm gonna get this right  
 Gonna find a better way, I wanna lead another life  
 I wanted to let you know me

But I'm trapped inside the fear  
 And I never said a word though you always seemed to hear  
 When I take so long to say these words  
 Yeah, you wait so long for me

Hey, nothing is real, it's all what you believe  
 Something you dream inside your head  
 You know how I feel because it's just you and me  
 Something I need to call my own  
 To feel and call my own

 Nothing is real, it's all you believe  
 Something you dream inside your head  
 Nothing is real, it's all what you believe  
 To feel and call my own
