

Goo Goo Dolls - Nothing Is Real

tom:

Hey, anybody in this world
 Can you talk to me a while, find a reason for it all?
 Cause I've been thinking backwards, to a place I've never been
 To a home that never was, it's like I'm losing it again
 And it takes so long to say these words
 Can you wait that long for me?
 Hey, nothing is real, it's all what you believe
 Something you dream inside your head
 You know how I feel because it's just you and me
 Something I need to call my own
 To feel and call my own
 Duck inside this empty room
 And I'm waiting for the sun to come to me
 Someday, I'm gonna get this right
 Gonna find a better way, I wanna lead another life
 I wanted to let you know me

But I'm trapped inside the fear
 And I never said a word though you always seemed to hear
 When I take so long to say these words
 Yeah, you wait so long for me

Hey, nothing is real, it's all what you believe
 Something you dream inside your head
 You know how I feel because it's just you and me
 Something I need to call my own
 To feel and call my own
