

Goo Goo Dolls - Rebel Beat

Tom: G

Intro: G C G C

VERSE 1:

G We keep heading in the same direction
 C You've become my own reflection
 Em Is that your soul that you're trying to protect
 C I always hoped that we would intersect, yeah

G You need time to cope and time to heal
 C Time to cry if it's what you feel
 Em Oh, life can hurt, when it gets too real
 C I can hold you up when it's hard to deal

BRIDGE 1:

Em Alive, alive
 C Alive is all I wanna feel
 Em Tonight, tonight
 D I need to be where you are
 I need to be where you are

G Hey you, look around
 C Can you hear that noise, it's a rebel sound
 G We got nowhere else to go
 D And when the sun goes down and we fill the streets
 C You're gonna dance till the morning to the rebel's beat
 Em You can take everything from me
 D 'Cause this is all I need

G C G C

VERSE 2:

G You know that life is like a ticking clock
 C Nobody knows when it's gonna stop, yeah
 Em Before I'm gone I need to touch someone
 C With a word, with a kiss, with a decent song yeah
 G And it gets lonely when you live out loud
 C When the truth that you seek isn't in this crowd
 Em You better find your voice, better make it loud
 C We gotta burn that fire, or we'll just burn out

BRIDGE 1:
