

# Goo Goo Dolls - Truth Is A Whisper

Tom: D

Intro: Bm D A E

A A Bm G G A  
 Truth is a whisper and only a chance  
 A A Bm G G A  
 Nobody hears above this noise  
 A A Bm G G A  
 It's always a wish when you try and believe  
 A A Bm A G  
 I know there's so much more than me

G A  
 Yeah I got caught in the ruse of the world  
 G  
 It's just a promise no one ever keeps  
 E  
 And now it's changing while we sleep  
 And no one can see

Chorus:  
 Bm D A E  
 You know all I am  
 Bm D A E  
 Feel this moment in you  
 Bm D A E  
 You know all I am  
 Bm D A E  
 Can you teach me to believe in something

A  
 Sometimes you choke on the smell  
 A Bm G G A

Just to breathe  
 A A Bm G G A  
 I need to question what I need  
 A  
 Rhythm of silence  
 A Bm G G A  
 That beats through your mind  
 A A Bm A G  
 Still you forget what you deny

G A  
 Yeah I got caught in the ruse of the world  
 G  
 It's just a promise no one keeps  
 E  
 And now it's changing while we sleep  
 And no one can see

CHORUS  
 G A  
 Who's the one you answer to  
 G  
 Do you listen when he speaks  
 E G  
 Or is everything for you  
 A  
 And do you find it hard to sleep  
 G  
 Or is it easy on your own  
 E  
 Will you ever find some peace  
 D G Em  
 Before you're gone

Chorus Again

## Acordes
