

Goo Goo Dolls - We Are The Normal

Tom: C

(verse)

It's a beautiful day I heard everybody say

The sun shines down for all of us

Just the same you know I like the rain

That ain't so obvious

(verse)

It's a beautiful sight I guess everybody's right

This day belongs to all of us

Even still I like with a chill

That ain't so obvious

(chorus)

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

(verse)

It's a beautiful life and I've got it in my sights

And that ain't for all of us

It's a beautiful sound

When my life comes crashin down

That ain't so obvious

(verse)

It's a beautiful sin and I'm doin' it again

And that ain't for all of us

It's a beautiful life and I've got it in my sights

Ain't that so obvious

(chorus)

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why...

(string break - play intro 6 times)

(chorus)

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die

With no reason why

We are the normal

We live and we die
