

# Good Charlotte - Break Her Heart

Tom: Gb

Intro: (B-Ebm)4x B Db7 B

When you call she doesnt answer, when you write she doesnt answer

When you go out you see him with her, she told you she was sick at home

The ring you gave her thrown away with all the letters

And When you see him wither her, he doesn't even care at all

As she follows him around like you follow her around

He doesnt even care and you're figuring out

The only way your gonna keep somebody around

Well Im about to let you know

( REFRAO )

Theres something I dont understand

The only way a woman is gonna want a man

The only way you'll ever keep her in your hands

Is breaking apart her heart

Don't tell her she is the reason that you live

Don't give her everything that you got to give

If you want to keep the girl for as long as you live

Just break apart her heart

Can't you see the way she's crying

Well that's what keeps her trying,

She knew that she could have you

And he don't give her what she wants

There is truth about this, you say you want to be noticed

Well if you want to be noticed, you gotta learn to break some hearts

Dont try to understand

( REFRAO )

Can't you see what you've done?

What I've become, what I've become

Can't you see?

Base: C#-B-Ebm  
Solo 3x

Can't you see?

I don't understand this cruelty, I don't understand but now I see

( REFRAO )

I don't understand this cruelty

I don't understand...its just not me.

I don't understand this cruelty, but now I see

## Acordes
