Agora a Letra:

Good Charlotte - Change

I am lost in the see-thru, I think you lost yourself too,
Throughout all of this confusion, I hope I somehow get to you,
I practiced all the things I'd say, To tell you how I feel,
And when I finally get my chance, It all seems so surreal,
'Cause from the first time I saw you, I only thought about
you,
I didn't know you, I wanted to hold onto, The things you'd
never say to me,
'Cause you said
(Chorus)-
You can't change the way you feel,
I could never do that, I could never do that,
But you can't tell me this ain't real,
'Cause this is real
And you would see right through that,
In the end it's all I've got, So I'm gonna hold onto that,
So I'm gonna hold on and on and on and on,
(Chorus Ends)

Now you've got me watching your eyes,
Got me waiting just to see, If it goes the way it never will,
Your eyes are watching me, and now you've got me thinking
'bout,
The first time that I met you, Standing in a crowded room,
But I could only see you, And I hope my words will get
through,
'Cause now I can't forget you, I want to tell you,
If only I could reach you, And make you feel this way,
But you said...

(Chorus)(Chorus Ends)
