Agora a Letra:

One time...
One time,
I...here we go
Two times...
One time for your mind,
Your body so like a time that we rhyme,
And i'll make control all right,
Here we go(X3)

And we've been here for so many years,
Still it seems as if you're not there (are you there?)
Every time I talk, you turn away (do you care?)

Isn't Dad an obligation to care

(chorus)
And we've been here for so many years,
So many years still it seems,
You're so complicated
You're overrated
You're complicated
This feeling is low

Well I came in the door, yeah I said it before
I never let the stress get me down no more
Giving thanks to the Lord, y'know I pray every day
Giving shots to my peeps and this is what we say

(chorus)

You left us one little room with a black and white TV
One eviction notice and a bill for therapy
You're living all alone
You're like a dog without a bone
I said you're living all alone
Cuz you left us all at home
Well you had a second chance but you threw it all away
A fourth and fifth and sixth
Yeah that was yesterday
Now you're sitting at a bar
You're just a drowning in your tears
Lonely in your corner while everybody cheers

(chorus)
