Verso - Guitarra Base

One Day I woke up, woke up knowing, today is the day I will die
Cashdog was barking, walked in the park and, enjoyed it one last time

I called my mother, told her I loved her and I begged her not to cry

I wrote a letter, that said I'd miss her, And I signed that good bye

Pre Refrão-Guitarra Base

You know the happiest day of my life, I swear the happiest day of my life

Chorus-2 Guitarras

Can you feel the cold tonight, it sets in but, its alright
Darkness falls I'm letting go, all alone but I feel fine
