## Good Charlotte - Life Can't Get Much Better

Tom: G Fm Intro: G Let's just stay together One promise, we made it These scars are tokens of promises broken We said we'd never break it [Chorus] Don't look down, be honest Life can't get much better Tell me has it changed? [Verse 1] Let's just stay forever Fm We've got to hold on G One life that, we're living We waited so long We're somewhere unforgiven [Bridge] Fm Don't look down, be real now G Tell me has it changed? Don't give up on us, on us I just wanna see you laugh again Don't give up on us Fm [Chorus] Yeah Life can't get much better Tell me that you meant every word you said Fm Let's just stay together In the text you sent I was going to bed The girl with the blue eyes, with the blue eyes These scars are tokens of promises broken [Chorus] It ain't right it was fucking with me last night [Chorus] Life can't get much better G D Life can't get much better Let's just stay forever We've got to hold on Let's just stay together Fm C We waited so long These scars are tokens of promises broken [Verse 2] [Chorus] If I knew we'd end up this way Life can't get much better Do you really think I wouldn't have tried? Let's just stay forever If I knew it would break us down We've got to hold on Do you really think I would've lied? We waited so long [Verse 3] [Verse 4] G Now I try to forget the past Tell me that you meant every word you said But it's all that's on my mind In the text you sent I was going to bed Fm Fm I'd give it all if I could get you back The girl with the blue eyes, with the blue eyes I'd give it all if you were mine It ain't right it was fucking with me last night [Chorus] I just wanna see you here sometime, 'cause [Chorus] Life can't get much better D Let's just stay together Life can't get much better These scars are tokens of promises broken
