

Good Charlotte - March On

Tom: G

G D Em D
Don't cry, open up your eyes and know
C D G
There's someone else out there that feels this way

G D
I'm singing to you
Em D
Cause I know what you've been through and now
C D G
It's not so long ago I felt the same

C D
Like soldiers, march on
G Em
If we can make it through tonight we'll see the sun
C D G G
March on, march on

G D Em
And I remember summer nights alone
D C
Fireflies the only thing we own
D G
Yeah, all we had were dreams of California
G D Em
And I remember winters were so cold
D C
Hunger was the only thing we know
D G
And rock'n'roll dreamin' was what saved us

C D

Like soldiers, march on
G Em
If we can make it through tonight we'll see the sun
C D Em
March on, march on

D C C Em D C
Till we see the sun, march on, till we see the sun
Em D
Through the good times, through the bad times
C C
Through the long days, through the hard nights
Em D C
Keep on, till we see the sun

C D
Like soldiers, march on
G Em C
If we can make it through tonight we'll see the sun
D G
March on, march on

C D
Like soldiers, march on
G Em C
If we can make it through tonight we'll see the sun
D C
March on, march on

C D
Even when there's no one there for you march on
C D
Even when the days are long for you march on
C D G
And like soldiers, march on
