Don't you know this misery loves me
 Don't you know this misery loves me
 Don't you know this misery loves me
 Don't you know this misery loves me
 Loves me

So you're tired of runnin'
 You're tired of hurting
 You're tired of living in their lie
 You're tired of listening
 You're tired of hurting

Keep your sadness alive, alive, alive

--Chorus--
 Don't you know
 That misery loves company
 Yeah I heard
 That misery was looking for me
 Happiness, is a face that don't look good on me
 Yeah I heard
 That misery comes looking for me
 Don't you know
 That misery loves company
 Yeah I heard
 Misery was looking for me
 Happiness, is a face that don't look good on me
 Yeah I heard
 That misery comes looking for me

Whoa, misery's my company
 Whoa, misery is looking for me
