[Verso 1:]

You come in cold  
 You're covered in blood  
 They're all so happy you've arrived.  
 The doctor cuts your cord he hands you to your mum  
 Just sets you free into this life  
 And where do you go  
 With no destination  
 No maps to guide you  
 Wouldn't you know that it doesn't matter  
 We all end up the same.

[Refrão:]

These are the chronicles of life and death and everything  
 between  
 These are the stories of our lives as fictional as they may  
 seem.  
 You come in this world, and you go out just the same.  
 Today could be the best day of your life.

[Verso 2:]

And money talks in this world,  
 That's what idiots will say

But you'll find out that this world,  
 Is just an idiots parade.  
 Before you go, you've got some questions.  
 That you want answers.  
 But now you're old, cold, covered in blood,  
 right back to where you started from

[Refrão:]

These are the chronicles of life and death and everything  
 between  
 These are the stories of our lives as fictional as they may  
 seem.  
 You come in this world, and you go out just the same.  
 Today could be the worst day of your life.

[Refrão:]

These are the chronicles of life and death and everything  
 between  
 These are the stories of our lives as fictional as they may  
 seem.  
 You come in this world, and you go out just the same.  
 Today could be the best day of,  
 Today could be the worst day of,  
 Today could be the last day of your life,  
 it's your life,  
 your life.
