```
Tom: C
  Verse
       C F
so here we are
     C F
we are alone
                 C
there's weight on your mind
      C F
I wanna know
   Am
the truth if this is how you feel
say it to me
if this was ever real
Chorus
         C G
                     Am
I want the truth, from you.
          F
                  G
give me the truth, even if it hurts me.
         C G
                   Am
I want the truth, from you.
          F
give me the truth, even if it hurts me. I want the truth, so this is you
you're talking to me
you found a million ways to let me down
so im not hurt when you're not around
I was blind
