

Good Charlotte - The World is Black

Tom: G

Intro:

C D
Turn on channel 7 at a quarter to eight
Em D
you see the same damn thing its just a different day and
C D Em
no one really knows why this is happening but its happening
C D
and everywhere you go its just a different place
Em
you get the same dark feelings
D C D
see the same sad faces no one really cares
Em
that this is happening

(this part is piano but this is it on acoustic just strum the chords once)

G D
we come into this world
Am C
and we are all the same
Em D C x9
and in that moment theres no one to blame

(the chorus gets a strumming like down down up up down up but again..listen to the song)

Em
but the world is black
G
and hearts are cold
D
and theres no hope
Am
thats what were told
Em
and we cant go back
G
it wont be the same
D
forever changed
C
by the things weve said, said
C D
living in this place its always been this way
Em D
theres no one doing nothing so theres nothing changed and
C D Em
i cant live when this world just keeps dying, its dying
C D
people always tell me this is part of the plan
Em D
that gods got everybody in his hands but
C D Em
i could only pray that god is listening is he listening
G D

were living in this world
Am C
growing colder everyday
Em D C x9
nothing can stay perfect now i say
Em
but the world is black
G
and hearts are cold
D
and theres no hope
Am
thats what were told
Em
and we cant go back
G
it wont be the same
D
forever changed
C
by the things weve said, said
G D
we come into this world
Am C
and we are all the same
Em D C
and in that moment theres no one to blame
G D
but were living in this world
Am C
growing colder everyday
Em D C
nothing can stay perfect now i say
Em
the world is black
G
and hearts are cold
D
and theres no hope
Am
thats what were told
Em
and we cant go back
G
it wont be the same
D
forever changed
C
by the things weve said said, said
