Turn on channel 7 at a quarter to 8
 You see the same damn thing
 It's just a different day
 No one really knows why this is happening

But it's happening

And everywhere you go it's just a different place
 You get the same dark feelings
 See the same sad faces

No one really cares that this is happening

You come into this world

And we are all the same

And in that moment there's no one to blame

But the world is black

And hearts are cold

And there's no hope

That's what we're told

And we can't go back

It won't be the same

Forever change

But the things we say, say

Living in this place

It's always been this way

There's no one doing nothing

So there's nothing changed

And I can't live when this world just keeps dying

It's dying

People always tell me this is part of the plan

That God's got everybody in his hands

But I could only pray that God is listening

Is he listening?

We're living in this world

Growing colder every day

Nothing can stay perfect now I see

(Chorus)

We come into this world

And we are all the same

And in that moment there's no one to blame

But we're living in this world

Growing colder every day

Nothing can stay perfect now I see

(Chorus)
