

Good Charlotte - We Belive

Tom: G
Intro: x2

Verse

there's a woman crying out tonight
her world has changed she asked
God why her only son has died and her daughter cries
she can't sleep at night

downtown another day for all the suits and ties
another war to fight there's no regard for life
how do they sleep at night
how can we make things right
just want to make this right

Chorus

we believe, we believe,
we believe, we believe
we believe, we believe in this love

Verse

we are all the same
human in all our ways and all our pain

so let it be, there's a love that could fall down like rain
let us see, let forgiveness wash away the pain
what we need, and no one really knows what they are searching for
we believe, this world is crying for so much more

Chorus x2

Em G C
Em G C

so this world, is too much for you to take
just lay it down and follow me
i'll be everything you need

in every way
