

Good Kid - Drifting

tom:

D Bm7

I just don't know the words
 Or how to conjugate them
 Was it really past tense I heard
 Or was it present perfect
 Maybe we could forget the time
 You faced that friend without me
 Maybe we could go back to mine
 Pretend it never happened

[Pre-Chorus]

Gbm Em7
 Oh, when you're always out of time
 When you say it will be fine
 When I just can't find the line
 Gbm Em7
 Oh, hope I know what to say
 When you throw it all away

D Bm7 Em7 x2

[Chorus]

Sorry baby
 I've been drifting again
 Em7
 Could you repeat the question
 D Bm7
 No I guess I do not know when
 Em7
 It first became a problem
 D Bm7
 Sorry that it's all such a mess
 Em7
 The words they seem to leave me
 D Bm7
 Didn't really quite catch the rest
 Em7

Not keen on it repeating

[Pre-Chorus]

Gbm Em7
 Oh, when you're always out of time
 D7M
 When you say it will be fine
 When I just can't find the line
 Gbm Em7
 Oh, hope I know what to say

 When you throw it all away
