Don't you notice how

I get quiet when there's no one else around

Me and you and awkward silence

Don't you dare look at me that way

I don't need reminders of how you don't feel the same

Ebm7 Abm

Oh, the burning pain

Listening to you harp about some new soulmate

She's so perfect

Blah, blah, blah

Oh, how I wish you'll wake up one day

Run to me confess your love

At least just let me say

Ebm7

That when I talk to you

Oh, cupid walks right through

And shoots an arrow through my heart

And I sound like a loon

But don't you feel it, too?

Confess I loved you from the start

Confess I loved you from the start

What's a girl to do

Lying on my bed staring

Into the blue

Unrequited terrifying

Love is driving me a bit insane

Have to get this off my chest

I'm telling you today

Ebm7

That when I talk to you

Oh, cupid walks right through

And shoots an arrow through my heart

And I sound like a loon

But don't you feel it, too?

Confess I loved you from the start

Confess I loved you

Just thinking of you

You know I've loved you from the start
