

# Gorillaz - Busted And Blue

Tom: C  
Intro: F7M Em Dm Em E  
F7M Em Dm Em E

F7M Em  
Where does it come from  
When everything waltzed outside, busted and blue  
F7M Em  
How in the universe  
Through the lithium, busted and blue  
( F7M Em Dm Em E )

F7M Em  
I was asked by a computer, a shadow on the wall  
Dm Em E  
An image made by Virgil, to rule over us all  
F7M Em  
So amplify the sirens, and to find real amends  
Dm Em E  
And through the echo-chambers, to other worlds away

F7M Em  
All my life, all my life  
Dm Em E  
Be my light, on me I am a satellite and I can't get back  
without you

F7M Em  
Be my love, be my love  
Dm Em E  
Be my love, be my love  
( F7M Em Dm Em E )

F7M Em  
Where do they come from?  
The wires that connect to us, weightless and fall on your body  
F7M Em  
'Till we're invisible  
I'm with you through altitude, busted and blue

F7M Em  
All my life, all my life  
Dm Em E  
Be my light, on me I am a satellite and I can't get back  
without you  
F7M Em  
Be my love, be my love  
Dm Em E  
Be my love, be my love  
F7M Em Dm Em E  
Busted and blue

[Final] F7M Em Dm Em E Am

## Acordes
