

Gorillaz - Every Planet We Reach Was Dead

Tom: A

Intro: A G A G

I lost my leg like I lost my way

So no loose sounds

Nothing to see me down

How are we going to work this out?

Dreams aren't bad, I had turned back

I love the gun

But God only knows it's

Getting hard to see the sun coming through

I love you...

But what are we going to do?

Picture on the dreamer

I'll take you deeper

Down to the sleepy glow

Time is a low..

Don't you know?

What are we going to do?

When you go back

All the second selfless days

You're in love with him

I want to see you again

I love you...

But what are we going to do?

Acordes
