

Gorillaz - Last Living Souls

Tom: G

Are we the last living souls
 Are we the last living souls
 Are we the last living souls
 Are we the last living souls

Take a gun
 Or how you say
 That's no way
 To behave

But just as long you need the gear
 So sing a song that doesn't sin
 It grows

Hey, you know

Are we the last living souls
 Are we the last living souls
 Are we the last to get away
 To some another day
 Or do we know

Well we know

Doesn't seem to be complete

Are we

Are we the last living souls
 Are we the last living souls
 Are we the last living souls
 Are we the last living souls
 Are we the last living souls

Get up, get up, get up, get up....

Cause all out of song
 I got it down wrong
 I see myself to get
 An all-seeing door now
 Can you take us in
 The part that comin' on
 The coldest man doesn't sing your song

We go to the car
 I see you walk to the far
 And when you get there do you see
 You fit the last you need on me
 Cause we're the last living souls
 We're the last living souls
 Yeah we're the last living souls
 We're the last living souls
