

# Gorillaz - Last Living Souls

Tom: G

Are we the last living souls  
 Are we the last living souls  
 Are we the last living souls  
 Are we the last living souls

Take a gun  
 Or how you say  
 That's no way  
 To behave

But just as long you need the gear  
 So sing a song that doesn't sin  
 It grows

Hey, you know

Are we the last living souls  
 Are we the last living souls  
 Are we the last to get away  
 To some another day  
 Or do we know

Well we know

Doesn't seem to be complete

Are we

Are we the last living souls  
 Are we the last living souls  
 Are we the last living souls  
 Are we the last living souls  
 Are we the last living souls

Get up, get up, get up, get up....

Cause all out of song  
 I got it down wrong  
 I see myself to get  
 An all-seeing door now  
 Can you take us in  
 The part that comin' on  
 The coldest man doesn't sing your song

We go to the car  
 I see you walk to the far  
 And when you get there do you see  
 You fit the last you need on me  
 Cause we're the last living souls  
 We're the last living souls  
 Yeah we're the last living souls  
 We're the last living souls
