Gorillaz - Magic City

```
                              tom:
                    G
Intro: G  B7  C
         G  B7  C
G              B7                 C
   I'm on the high ridge looking down
G                B7               C
   While we're evolving, I get old
G            B7                 C
   If I get back then I'll be grateful
G                  Bm               Am
   Look there's a billboard on the moon

C  Bm
   Let me take you this far

   This crossing isn't much to me
C          Bm
   There's lightning in the storm clouds

   And I'll send you there to stay

C                             Bm
   You got me lost in Magic City
C                              Bm  B
   You got me questioning it all
Em               Am                D          B7
   I hope that I make it home by Wednesday
G                  B7           C  Cm
   And this Magic City lets me go

G  B7  C
          (Magic City)
G  B7  C
          (Magic City)
G  B7  C
          (Magic City)
G  B7  C
          (Magic City)

G              B7              C
   You put me up here in the penthouse
G                  B7                 C
   And painted me in red, white and blue
G                 B7               C
   I filled the canyons with my ego
G                  Bm                Am
   Look there's a billboard on the moon

C                              Bm
   You got me lost in Magic City
C                               Bm  B
   You got me questioning it all
Em                Am               D          B7
   I hope that I make it home by Wednesday
G                  B7           C
   And this Magic City lets me

   Go
