

# Gorillaz - Tarantula

tom:

C

[Primeira Parte]

I think the sadness has come again  
 Green velvet in a parked sedan  
 Nobody missed her gold earring  
 Right aside for you  
 Nothing will be bad for me then to  
 I just wanna put my arms round you  
 And whisper, I'm on one percent but I'm there with you

[Refrão]

I know I fantasize  
 Although I don't even find  
 If you're good for me  
 Then I'm good for you  
 And that's all I need  
 In my life

[Segunda Parte]

Through all of my tunes, I'll dance tonight  
 With you frozen in the mirrored light  
 Way's out, only weighs in to my heart  
 As the colors explode again  
 It's a problem that I can't repair  
 Always with you, always

[Refrão]

I know I fantasize  
 Although I don't even find  
 If you're good for me  
 Then I'm good for you  
 And that's all I need

In my life

[Ponte]

Time's run out (In my life)  
 Nowhere real (In my life)  
 In the hills (In my life)  
 Is what I feel (All my life, on my own, on my own)  
 On my own  
 Time run out  
 I need you, Weighs in to my heart

[Refrão]

I need you, I need you, I need you  
 If you're good for me  
 Then I'm good for you  
 And that's all I need  
 In my life  
 I know I fantasize  
 Although I don't even find  
 If you're good for me  
 Then I'm good for you  
 And that's all I need  
 In my life

[Final]

Time's run out (In my life)  
 Nowhere real (In my life)  
 In the hills (In my life)  
 Is what I feel (All my life, on my own, on my own)  
 On my own  
 Time run out  
 If you're good for me, then I'm good for you, then that's all I  
 Need in my life (I need you)
