

# Gorillaz - To Binge

Tom: D

Waiting by the mailbox, by the train  
 Passin' by the hills 'til I hear the name  
 I'm looking for a saw to cut these chains in half and all I want is  
 Someone to rely on as  
 Thunder comes a rolling down  
 Someone to rely on as  
 Lightning comes a staring in again (I'll wait...)  
 I'll wait to be forgiven  
 Maybe I never will  
 My star has left me  
 To take the bitter pill  
 That shattered feeling Well the cause of it's a lesson learned  
 Just don't know if I could roll into the sea again  
 "Just don't know if I could do it all again" she said, it's true  
 Gm D Em7 A7 D Gm D Gm

...  
 Waiting in my room and I lock the door  
 I watch the coloured animals across the floor  
 And I'm looking from a distance and I'm listening to the whispers  
 And oh it aint the same, when you're falling out of feeling and you're  
 I'm caught again in the mystery  
 You're by my side, but are you still with me?  
 The answers somewhere deep in it, I'm sorry but your feeling it  
 But I just have to tell that I love you so much these days  
 Have to tell you that I love you so much these days, it's true  
 My heart is in economy  
 Due to this autonomy [2x]  
 Rolling in and caught again
