

Gorillaz - To Binge

Tom: D

Waiting by the mailbox, by the train
 Passin' by the hills 'til I hear the name
 I'm looking for a saw to cut these chains in half and all I want is
 Someone to rely on as
 Thunder comes a rolling down
 Someone to rely on as
 Lightning comes a staring in again (I'll wait...)
 I'll wait to be forgiven
 Maybe I never will
 My star has left me
 To take the bitter pill
 That shattered feeling Well the cause of it's a lesson learned
 Just don't know if I could roll into the sea again
 "Just don't know if I could do it all again" she said, it's true
 Gm D Em7 A7 D Gm D Gm

...
 Waiting in my room and I lock the door
 I watch the coloured animals across the floor
 And I'm looking from a distance and I'm listening to the whispers
 And oh it aint the same, when you're falling out of feeling and you're
 I'm caught again in the mystery
 You're by my side, but are you still with me?
 The answers somewhere deep in it, I'm sorry but your feeling it
 But I just have to tell that I love you so much these days
 Have to tell you that I love you so much these days, it's true
 My heart is in economy
 Due to this autonomy [2x]
 Rolling in and caught again
