

Gr9zi - The Journey of A Lonely Boy

tom: D (forma dos acordes no tom de Db)
 Capostraste na 1ª casa

Since he was a kid

Life was mean to him

He grew up willing to proof something

Instead of just living

22 and so worried

About what was on his way

And then he heard her spirit

Whispering between the plants

[Refrão]

You?re gonna leave
 The same way you came

Alone
 You have your body

And you can say this is your home

Enjoy things and set yourself free

From them

Cause that?s the biggest proof of love they will get

Now
 He holds a cigarette dancing freely

On his own

He gave up all the problems

And is taking care of his soul

He?s full of love and needs

Nothing else from you

Starting to live the best part of his life

[Refrão]

(C F Am G F)

He feels the ground

Keeps feeling the nature

Feels her eyes staring at his eyes

He is going up

Going up

Since he was a kid

Life was mean to him

He grew up willing to proof something

Instead of just living
