Intro: C F7M G

C  
I don't wanna be found out  
C  
I dont wanna leave this town tonight  
C  
Don't wanna be back where I started from  
C F7M  
'Cause my roots won't keep me warm  
C  
They won't keep me warm  
  
C  
I only just realised now  
C  
It only just dawned on me that I have always been lonely  
C F7M  
And I needed this, to feel comfort and complete  
C  
I never thought we'd meet  
  
C  
But they said I was always gonna be that way  
C F7M  
Until I saw you, I believed them everyday  
C  
Then you came my way  
  
C  
Oh, let me love, oh, let me love you, until we're old  
C F7M  
Oh, let me love, oh, let me love you, until we're grown  
C  
'Cause my roots will never keep me warm  
  
C  
I guess I made it here somehow  
C

I made it this far and I am proud  
C  
It's my whole world has changed  
C  
Nothing stays the same  
C F7M  
And I for one am glad  
C  
I never knew I wanted you so bad  
  
C  
But they said I was always gonna be that way  
C F7M  
Until I saw you, I believed them everyday  
C  
Then you came my way  
  
C  
Oh, let me love, oh, let me love you, until we're old  
C F7M  
Oh, let me love, oh, let me love you, until we're grown  
C  
'Cause my roots will never keep me warm  
  
C  
And they said I was always gonna be that way  
C F7M  
Until I saw you, I believed them everyday  
C  
Then you came my way  
  
C  
Oh, let me love, oh, let me love you, until we're old  
C  
Oh, let me love, oh, let me love you  
C F7M  
'Cause my roots won't keep me warm  
C  
My roots won't keep me warm
