

Grace VanderWaal - Clearly

Tom: Ab

There's a world outside my door

I don't know it anymore

I'm gonna stay here now

I'm gonna stay here now

Close the curtains, cut the lights

A bunch of darkness in my mind

It's gonna take me down

It's gonna take me down

All the roads I've been before

The same mistakes always got me shakin'

And all the signs I once ignored

In my denial, I didn't want to face them

I can see clearly now

The rain has gone

I accept all the things that I cannot change

Gone are the dark clouds, the dawn has come

It's gonna be a bright, bright shiny day

There's a world outside my door

I forced my feet down to the floor, I'm gonna make it out, I'm gonna make it out

It's gonna be a bright, bright shiny day

Take a breath and say a prayer

Find the strength in my despair, it's not gonna take me down, it's not gonna take me down

All the roads I've been before

The same mistakes always got me shakin'

And all the signs I once ignored

In my denial, I didn't want to face them

I can see clearly now, the rain has gone

I accept all the things that I cannot change

Gone are the dark clouds, the dawn has come

It's gonna be a bright, bright shiny day

It's gonna be a bright, bright shiny day

All the pain in my sorrow

Won't change today, only ruin tomorrow, oh-oh

All the pain in my sorrow

Won't change today, only ruin tomorrow

I can see clearly now, the rain has gone

I accept all the things that I cannot change

Gone are the dark clouds, the dawn has come

It's gonna be a bright, bright shiny day

It's gonna be a bright, bright shiny day
