

# Grace VanderWaal - I Don't Know My Name

Tom: Db

(forma dos acordes no tom de C )

Capostrate na 1ª casa

I don't know my name  
 I don't play by the rules of the game  
 So you say I'm just trying, just trying

So I heard you are my sister's friend

You get along quite nicely

You ask me why I cut my hair

And changed my self completely

I don't know my name  
 I don't play by the rules of the game  
 So you say I'm just trying, just trying

I went from bland and popular

To joining the marching band

I made the closest friends  
 I'll ever have in my lifetime

I'm lost trying to get found

In an ocean of people

Please don't ask me any questions

There won't be a valid answer

I'll just say that

I don't know my name  
 I don't play by the rules of the game  
 So you say I'm just trying, just trying

I now know my name  
 I don't play by the rules of the game  
 So you say I'm not trying, but I'm trying

To find my way
