

Grace VanderWaal - Just a Crush

Tom: C

You're lookin at me
 I'm lookin at you
 This is never gonna sort itself out
 I don't know what you will do

Cause you're talkin' bout marriage
 And our life together
 But honey I'm not lookin' for anything like
 What you're searchin' for
 O-h

You're ju-----st
 Ju-----st
 Ju-----st
 You are, you are just a crush

I hope you understand
 What I'm telling you
 I don't wanna be confusing
 Consider me one of the dudes
 I guess it'd be nice
 To hold hands once in a while
 But you're over here
 Planning like wi--ld

Yes you're talkin' bout a marriage
 And our life together No
 But honey I'm not lookin' for anything like
 What you're searchin' for
 O-h

You're ju-----st
 Ju-----st
 Ju-----st
 You are

Now I don't want no tears
 But it'd be worse if I faked you out
 All of these years
 I'm sorry, I don't want no tears
 So let me just say it perfectly clear

You're ju-----st
 Ju-----st
 Ju-----st
 You are you are!
 ju-----st
 Ju-----st oh!
 Ju-----st
 You are, you are just a crush
