

# Grace VanderWaal - Light The Sky

Tom: C

Stars, they got nothing on us <sup>C</sup>  
 I don't think you understand <sup>Am</sup> <sup>F</sup>  
 Let's go out and do <sup>G</sup>  
 Something we'd never do <sup>F</sup>  
 Cause I feel like I can do <sup>Am</sup>  
 Anything when <sup>G</sup>  
 My head is spinning <sup>C</sup>  
 And my feet are off the ground  
 When I can't stop dancing <sup>F</sup>  
 Like no one's around  
 And yeah, I think we were born to shine <sup>Am</sup> <sup>G</sup>  
 Cause' the stars are dull when their <sup>F</sup>  
 Compared to you and I <sup>C</sup> <sup>G</sup>  
 And if people dont like it <sup>F</sup>  
 Then they can close their eyes <sup>C</sup> <sup>G</sup>  
 'Cause we're not the same <sup>F</sup>  
 And we don't have to try <sup>C</sup> <sup>G</sup>  
 We're brighter than fireflies <sup>F</sup> <sup>G</sup>  
<sup>C</sup>

We're gonna light the sky

Oh, oh, oh (X2) <sup>F</sup> <sup>C</sup> <sup>G</sup>  
 Light the sky  
 You and me <sup>C</sup>  
 Me and you <sup>F</sup>  
 We will shine through <sup>Am</sup> <sup>G</sup>  
 You and me <sup>F</sup>  
 Me and you <sup>C</sup>  
 We will shine <sup>Am</sup> <sup>G</sup>  
 Cause' the stars are dull when their <sup>F</sup>  
 Compared to you and I <sup>C</sup> <sup>G</sup>  
 And if people dont like it <sup>F</sup>  
 Then they can close their eyes <sup>C</sup> <sup>G</sup>  
 'Cause we're not the same <sup>F</sup>  
 And we don't have to try <sup>C</sup> <sup>G</sup>  
 We're brighter than fireflies <sup>F</sup> <sup>G</sup>  
 We're gonna light the sky <sup>C</sup>  
 Oh, oh, oh <sup>F</sup> <sup>C</sup> <sup>G</sup>  
 Light the sky <sup>C</sup>
