

# Grace VanderWaal - Waste My Time

tom:

G

[Verso 1]

E Abm  
Runnin' with you it's like we're in a memory  
Dbm A  
That we'll try to forget when you grow up and leave  
E Abm  
Walkin' slow because the time's been running far  
Dbm A  
Maybe I should grow up, leave you with a scar

[Pré-Refrão]

E  
You say "I love you" with an accent  
Abm  
Then I pretend like nothing happened  
Dbm  
Tell me, won't you miss Manhattan?  
A  
And even though this is pointless  
Am  
And even though this is hopeless

[Refrão]

Gbm B  
I just wanna waste my time  
E Dbm  
And I just wanna waste your time  
Gbm B  
We can do anything you like  
E Dbm  
We can talk all night (ooooh)

[Verso 2]

E  
I'm unsure of you because I know you'll leave  
Abm  
You say you love me but I whisper "I don't believe"  
Dbm  
Stopping moments cause I can't let it be true  
A  
This is going nowhere but I love wasting my time with you

[Pré-Refrão]

E  
You say "I love you" with an accent  
Abm  
Then I pretend like nothing happened  
Dbm  
Tell me, won't you miss Manhattan?

And even though this is pointless  
Am  
And even though this is hopeless

[Refrão]
