

# Gracie Abrams - Better

tom:  
Capostrate na 1ª casa

[Primeira Parte]

**C**  
Don't feel it all  
**Am**  
Talk slow and leveled  
**F**  
Foot off the pedal  
**G**  
Same shirt and perfume on  
**C** **Am**  
The two of us were accidental  
**F**  
But so good together  
**G**  
Now all I feel is

[Pré-Refrão]

**C**  
So bad about it  
**Am**  
I barely left my bed  
**F** **G**  
We'd talk around it, all for nothin'

[Refrão]

**C**  
So if that's all it was  
**Am**  
If you're good givin' in, givin' up, I hope  
**F**  
So if that's all it was  
**G7**  
Hope you feel better now  
**Am**  
And if that's what you want  
**F**  
If you don't wanna see me at all, now  
**C**  
So if that's all it was  
**G7**  
Hope you feel better

[Segunda Parte]

**C**  
It's been a while  
**Am**  
Old clothes fit larger  
**F**  
You're lookin' smaller  
**G**  
What happened when I left?

[Pré-Refrão]
