

Gracie Abrams - Block Me Out

tom:

Intro: Dm F Bb F

Dm F Bb F
 I'll say whatever you want, but I've become such a liar
 Dm F Bb F
 I used to follow my gut, but now I'm just getting higher
 Dm F Bb F
 It's been a couple of months since I turned to something violent
 Dm F Bb F
 I should be happier now, so why do I feel this quiet?

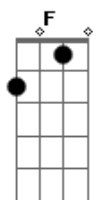

F Gm Bb
 Now I only let me down
 Bb F
 When there's no one else around
 Gm Bb
 I've been thinking way too loud

F Gm
 I wish that I could block me out
 Bb F Gm
 I wish that I could block me out
 Bb
 Out

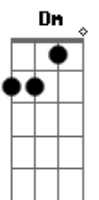

Dm F Bb F
 I think I'm burning alive, but nobody sees the fire
 Dm F Bb F
 ?Cause when I open my mouth, I seem to be stuck in silence
 Dm F Bb F
 I thought of leaving tonight, but I couldn't drive this tired
 Dm F Bb F
 Plus after all of this time, I should be a pretty crier

F Gm Bb
 Now I only let me down
 Bb F
 When there's no one else around
 Gm Bb
 I've been thinking way too loud
 Bb F
 I wish that I could block me out
 Gm Bb
 Don't know how they see me now
 Bb F
 Feeling lost in every crowd
 Gm Bb
 I feel ten feet off the ground
 Bb
 I wish that I could block me out
