 Oh
Gb
 We almost got away, we cut it close
B
 The city's getting loud
B
 If I choke
Gb
 It's only 'cause I'm scared to be alone
 Been tryna work it out, you should know

[Refrão]
B
 I would do whatever you wanted
 We don?t have to leave the apartment
Gb
 Met you at the right time
 This is what it feels like
B
 Living in a movie I've watched and
 Funny, 'cause you couldn't have called it
Gb
 Met you at the right time
 This is what it feels like

[Segunda Parte]

Acordes

[Refrão]
B
 I would do whatever you wanted
 We don?t have to leave the apartment
Gb
 Met you at the right time
 This is what it feels like

 Living in a movie I've watched and
 Funny, 'cause you couldn't have called it
Gb
 Met you at the right time
 This is what it feels like

[Ponte]
B
 And I need you sometimes
 We'll be all right
Gb
 Met you at the right time
 This is what it feels like
B
 And I miss you some nights
 We'll be all right
Gb
 Met you at the right time
 This is what it feels like

[Final]

 I would do whatever you wanted
 We don?t have to leave the apartment

 Met you at the right time
 This is what it feels like
