

# Gracie Abrams - I Miss You, I'm Sorry

tom:

[Primeira Parte]

Do you remember happy together?  
I do, don't you  
Then all of a sudden you're sick to your stomach  
Is that still true?

[Refrão]

You said "forever" in the end I fought it  
Please be honest are we better for it?  
Thought you'd hate me but instead you called  
and said "I miss you"  
I caught it

[Segunda Parte]

Good to each other, give it the summer  
I knew, you too  
But I only saw you once in December  
I'm still confused

[Refrão]

You said "forever" and I almost bought it  
I miss fighting in your old apartment  
Breaking dishes when you're disappointed  
I still love you, I promise  
Nothing happened in the way I wanted  
Every corner of this house is haunted

And I know you said that we're not talking  
But I miss you, I'm sorry

[Final]

I don't wanna go, think I'll make it worse  
Everything I know brings me back to us  
I don't wanna go, we've been here before  
Everywhere I go leads me back to you  
I don't wanna go, think I'll make it worse

You said forever and I almost bought it  
Everything I know brings me back to us

I miss fighting in your old apartment  
I don't wanna go, we've been here before

Breaking dishes when you're disappointed  
I don't wanna go, think I'll make it worse

Nothing happened in the way I wanted  
Everything I know brings me back to us

Every corner of this house is haunted  
I don't wanna go, we've been here before

And I know you said that we're not talking  
Everywhere I go leads me back to you

But I miss you  
I don't wanna go, think I'll make it worse  
Everything I know brings me back to us  
I don't wanna go, we've been here before  
Everywhere I go leads me back to you
