Thinkin' of you without any forgiveness

## [Pré-Refrão]

G Bm  
Because I was the one who would stay up  
A  
And call you

And I'd drive to your house for the shit

That you went through  
G Bm

You the credit  
G Bm  
I just drank something strong to try to

Forget, but it wasn't right

My head in
