

# Gracie Abrams - Normal Thing

tom:  
Eb (forma dos acordes no tom de B)  
Capostrate na 4ª casa

[Primeira Parte]

It's a normal thing to fall in love with movie stars  
When the lights are low, and red at all their favorite bars  
And the story you want is the story you get  
Are you special or was this all scripted in his head?

( G Bm C )

[Segunda Parte]

I remember when I saw your face not long ago  
I was on my couch, you were on my screen, one of us was stoned  
And the plotline was rare, swear I felt you right there  
Maybe that was the beginning of our love affair

[Pré-Refrão]

I did my pacing and reeling  
I even think it looked cute at times  
I know there's more than that feeling  
I didn't know it for most my life

[Refrão]

Don't worry, I know I'll see you again  
Oh, you'll make me cry when it comes to an end  
You were great, what a show

But I don't recommend

Getting close

That's how it goes

But I'll see you again

[Terceira Parte]

It's a normal thing for me to become underwhelmed  
But I get the point, I see it all, you're something else  
Couldn't you go quiet?  
No one noticed, I did  
But I notice everything so you're not different

[Pré-Refrão]

I practice speeches in private  
I was impressed with my every line  
I think we call that performing  
That's not how I want to spend my life

Don't worry, I know I'll see you again  
Oh, you'll make me cry when it comes to an end  
You were all that we hoped

But I can't recommend

Getting close

I should've known

But I'll see you again

( G G )

[Ponte]

Had a good time, but I guess I'll see ya  
You're a good guy, but I guess I'll see ya  
And you changed my life, but I guess I'll see ya  
'Cause it's over now, so I guess I'll see ya

[Final]

I know now, but I guess I'll see ya  
I know now, but I guess I'll see ya  
I know now, but I guess I'll see ya
