

# Gracie Abrams - Painkillers

tom:

C

[Primeira Parte]

C Em F  
I almost liked the way you fooled me  
To make me feel like this would last forever  
C Em F  
But twice a night, I'd wake up sweating  
To sleep without you here would do me better

[Refrão]

Am G F  
I, I, I, I  
Called you out? and labeled you? a "problem"  
Am G F  
I, I, I, I  
I should know that it takes one to know one

[Segunda Parte]

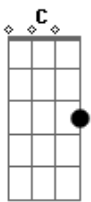

C Em F  
You represent the codependence  
I was down, you wore the shinin' armor  
C Em F

The side-effect is cold resentment  
Tricked m? into thinking you were stronger

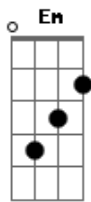

Am G F  
I, I, I, I  
Call?d you out and knew you were my problem  
Am G F  
I, I, I, I  
I should know that it takes one to know one  
[Final]

C Em  
Hold me slowly, you don't even know me  
F  
Home now, lights out  
G  
Pictures just destroy me  
C Em F G  
Come through late, and tell me that you want it bad  
C Em  
Hold me slowly, you don't even know me  
F  
Home now, lights out  
G  
Pictures just destroy me  
C Em F  
Come through late, and tell me that you want it bad
