

# Gracie Abrams - Risk

tom:  
G

Look at me now, said I wouldn't do it, but I hunted you down  
 Know you had a girl, but it didn't work out  
 Know you bought a house, but you had to move out and  
 I'm not proud, guess I'm just scared of you shooting it down  
 You can just talk, and I'll stare at your mouth  
 It could be bad, but I wanna find out and

I wake up in the middle of the night  
 With the light on, and I feel like I could die  
 'Cause you're not here and it don't feel right  
 'Cause you're not here

God, I'm actually invested, haven't even met him  
 Watch this be the wrong thing, classic  
 God, I'm jumping in the deep end, it's more fun to swim in  
 Heard the risk is drownin', but I'm gonna take it  
 I'm gonna take it, ooh

Isn't it fun? Thinking I'm right when I'm probably wrong  
 Holding my breath like I met someone  
 Knowing damn well that I haven't been touched by you  
 In my head, you're in the car and you're coming to me  
 And you get to my door and you can't even speak, but  
 I think that it's sweet, yeah, I think that you're sweet

And I wake up in the middle of the night  
 With the light on, and you're not here

God, I'm actually invested, haven't even met him  
 Watch this be the wrong thing, classic

God, I'm jumping in the deep end, it's more fun to swim in  
 Heard the risk is drownin', but I'm gonna take it

I'm gonna bend till I break and  
 You'll be my favorite mistake  
 I wish you could hold me, here shakin'  
 You're the risk, I'm gonna take it  
 Why aren't you here in my bedroom?  
 Hopelessly boring without you  
 Too soon to tell you I love you  
 Too soon to tell you I love you  
 ( G D Am C D )

God, I'm actually invested  
 Think I really want this  
 I'm not even kidding  
 No, I'm actually invested  
 Haven't even met yet  
 Wish that I was kidding  
 I'm not, and I hate it

God, I'm actually invested, haven't even met him  
 Watch this be the wrong thing, classic  
 God, I'm jumping in the deep end, it's more fun to swim in  
 Heard the risk is drownin', but I'm gonna take it (oh, oh, oh)  
 I'm gonna take it  
 Heard the risk is drownin', but I'm gonna take it

Too soon to tell you I love you  
 Too soon to tell you I love you  
 Too soon to tell you I love you  
 You're the risk, I'm gonna take it
