

# Gracie Abrams - The Bottom

tom:

Intro: Bb F C F

[Primeira Parte]

Bb F  
I told you I was down bad  
C Am  
You hate to see me like that  
Bb F  
I don't know how you look past  
C Am  
My stupid fucking setbacks

[Pré-Refrão]

Bb F C  
When you opened up the door  
Am Bb  
You let me in when you should have your guard up  
F C  
What a painful back and forth, oh

[Refrão]

Bb F  
It's hard to ignore all of my problems  
C Am  
Gonna regret being too honest  
Bb F  
Calling it love, but this isn't falling  
C Am  
I'm gonna drag you right down to the bottom  
Bb  
Cause you're no good  
F  
You could do better  
C  
You should walk out  
Am  
It's now or never  
Bb F  
I took the most that you could offer  
C Am  
I'm gonna drag you right down to the bottom

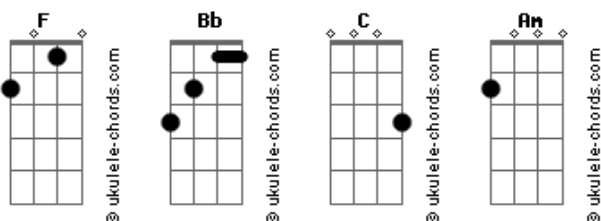

[Segunda Parte]

Bb F  
Told you I was down bad  
C Am  
You could never fix that  
Bb F  
Cause I'm happier when I'm sad  
C Am  
So leave and never come back

[Pré-Refrão]

Bb F C  
When you opened up the door  
Am Bb  
You let me in when you should have your guard up

## Acordes

F C  
What a painful back and forth, oh

[Refrão]

Bb F  
It's hard to ignore all of my problems  
C Am  
Gonna regret being too honest  
Bb F  
Calling it love, but this isn't falling  
C Am  
I'm gonna drag you right down to the bottom  
Bb  
Cause you're no good  
F  
You could do better  
C  
You should walk out  
Am  
It's now or never  
Bb F  
I took the most that you could offer  
C Am  
I'm gonna drag you right down to the bottom

[Ponte]

Watch me drag you down  
No saving you now  
Watch me drag you down  
There's no getting out  
Watch me drag you down  
No saving you now  
Watch me drag you down

[Refrão]

Bb F  
It's hard to ignore all of my problems  
C Am  
Gonna regret being too honest  
Bb F  
Calling it love, but this isn't falling  
C Am  
I'm gonna drag you right down to the bottom  
Bb  
Cause you're no good  
F  
You could do better  
C  
You should walk out  
Am  
It's now or never  
Bb F  
I took the most that you could offer  
C Am  
I'm gonna drag you right down to the bottom
