

Gracie Abrams - The Bottom

tom:

Intro: Bb F C F

[Primeira Parte]

I told you I was down bad
 You hate to see me like that
 I don't know how you look past
 My stupid fucking setbacks

[Pré-Refrão]

When you opened up the door
 You let me in when you should have your guard up
 What a painful back and forth, oh

[Refrão]

It's hard to ignore all of my problems
 Gonna regret being too honest
 Calling it love, but this isn't falling
 I'm gonna drag you right down to the bottom
 Cause you're no good
 You could do better
 You should walk out
 It's now or never
 I took the most that you could offer
 I'm gonna drag you right down to the bottom

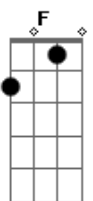

[Segunda Parte]

Told you I was down bad
 You could never fix that
 Cause I'm happier when I'm sad
 So leave and never come back

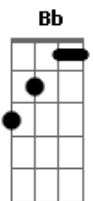

[Pré-Refrão]

When you opened up the door
 You let me in when you should have your guard up
