

# Gracie Abrams - Us (feat. Taylor Swift)

tom:  
Intro: <sup>Em</sup> <sup>G</sup> <sup>C</sup>  
[Primeira Parte]  
<sup>Em</sup> I know you know  
It felt just like a joke  
I show, you don't  
And now we're talkin'  
<sup>Em</sup> I know your ghost  
I see her through the smoke  
She'll play her show  
And you'll be watchin'  
[Pré-Refrão]

And if history's clear, someone always ends up in ruins  
And what seemed like fate becomes "What the hell was I doin'?"  
Babylon lovers hangin', lifetimes on a vine (Ooh)  
Do you miss mine?  
[Refrão]

Do you miss us, us?  
I felt it, you held it, do you miss us, us?  
Wonder if you regret the secret of us, us  
Us (Us), us (Us), us (Us)

[Segunda Parte]

I know you know  
It felt like somethin' old  
It felt like somethin' holy, like souls bleedin'  
So, it felt like what I've known  
You're twenty-nine years old

So how can you be cold when I open my home?

[Pré-Refrão]

And if history's clear, the flames always end up in ashes  
And what seemed like fate, give it ten months and you'll be past it (You'll be past it)  
Babylon lovers hangin', missed calls on the line  
I gave you mine

[Refrão]

Did you mind us, us?  
I felt it, you held it, do you miss us, us?  
Wonder if you regret the secret of us, us  
Us (Us), us (Us), us (Us)

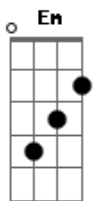

[Ponte]

That night, you were talkin' false prophets and profits  
They make in the margins of poetry sonnets  
You never read up on it, shame, could've learned somethin'  
Robert Bly on my nightstand, gifts from you, how ironic  
A curse or a miracle, hearse or an oracle  
You're incomparable, fuck, it was chemical  
You (You) plus (Plus) me (Me) was

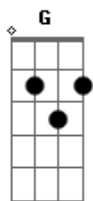

[Refrão]

Us, us, us  
I felt it, you held it, do you miss us, us?  
Wonder if you regret the secret of us, us  
Mistaken for strangers the way it was, was  
The pain of, the reign of, the flame of us, us  
The outline, well, sometimes, do you miss us, us?  
The best kind, well, sometimes, do you miss us?
