

# Gracie Abrams - We're Still Young

C tom:

[Primeira Parte]

Keep it down, make it stop  
 Do whatever I want  
 Sink your teeth in my tongue  
 I'll be fine I'm still young  
 Carved a hole in my mind

Felt it all overnight  
 We were both on the run  
 We'll be fine; We're still young

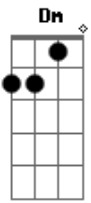

[Refrão]

We're still young  
 We're still young  
 We're still young  
 We're still young
