C
24Th street
Where you held me, grabbed my arm
What a mental fire alarm

Like I miss you
When I kissed you back I lied
You don't know how hard I tried
Had to fake the longest time

You look hopeful
Like we're supposed to work somehow
Can't you tell our light burnt out
Got a lot to cry about
There's nothing left here
All our best years are behind
What a brutal way to die
But you choose it every time

[Refrão]
