tom:

Intro: Eb Gm F Eb Gm F

Eb  
24Th street  
Where you held me, grabbed my arm  
What a mental fire alarm  
'Cause a lot of that felt wrong

Eb  
Like I miss you  
But when I kissed you back, I lied  
You don't know how hard I tried  
Had to fake the longest time

You look hopeful  
Like we're supposed to work somehow  
Can't you tell our light burned out?  
Got a lot to cry about

There's nothing left here  
All our best years are behind  
What a brutal way to die  
But you choose it every time

So, where do we go now?

Where do we go now?
